Manhole Virtual Modeling
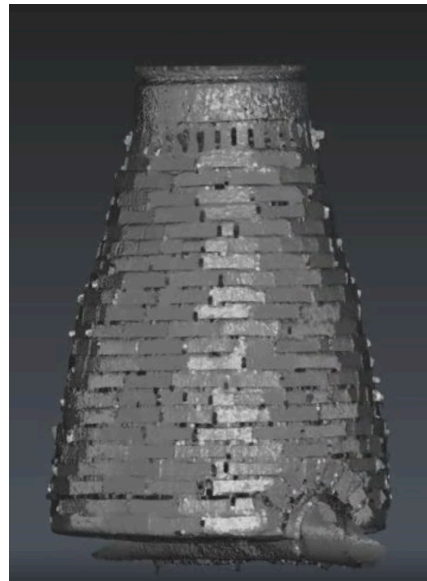

Virtual Reality Manholes / Wet Wells

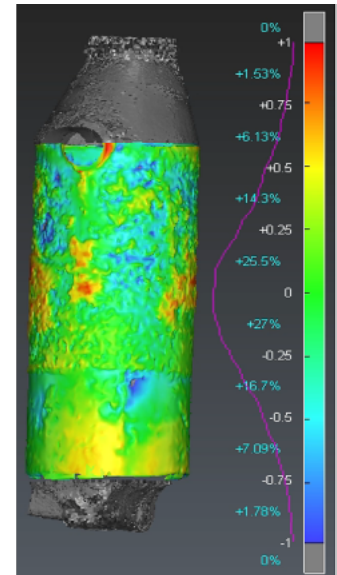

▷ Enter manhole *virtually*
▷ No confined space hazards
▷ Share with stakeholders
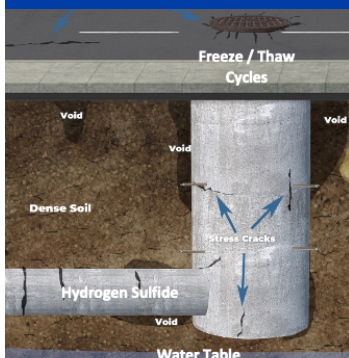

High-Density Point Clouds

▷ Measure any dimension
▷ Set as-is baseline
▷ Share data with a link

Wall Degradation Analysis

▷ Quantify degradation
▷ Make data-driven decisions
▷ Improve asset management

Stress on Aging Manholes:

- H_2S Gas
- Roots
- Stress Cracks
- Infiltration
- Freeze/Thaw
